

## Curriculum Vitae – November 2008

### JOHN TRIBBIA

| [john.tribbia@colorado.edu](mailto:john.tribbia@colorado.edu) and [johnt@ucar.edu](mailto:johnt@ucar.edu) |

### EDUCATION

#### **University of Colorado at Boulder**

(in progress) Ph.D. Sociology

Certificate on Environment, Policy, and Society

Certificate on Demography (Institute of Behavioral Sciences, Population Program)

#### **University of Puget Sound**

2004 B.S. Mathematics

Minor: Environmental Studies

Environmental Studies Thesis: “Sustainable Transportation in Tacoma, WA”

### RESEARCH EXPERIENCE

University of Colorado at Boulder, Institute of Behavioral Sciences, Environment and Society Program

**Spring 2008**

**Graduate Research Assistant**

Description:

Provide research support for a seed grant project examining the social, economic, and policy factors affecting the siting of a 100-MW concentrating solar power facility in Colorado’s San Luis Valley.

Institute for the Study of Society and the Environment at the National Center for Atmospheric Research

**2007 – present**

**Student Assistant**

Description:

Involved in numerous research projects for Dr. Patricia Romero-Lankao: research on the effects of national- and city-level development and demographic change on greenhouse gas emissions.

Institute for the Study of Society and the Environment at the National Center for Atmospheric Research

**2005 – 2007**

**Climate Change Student Assistant II**

Description:

Involved in numerous research projects for Dr. Susanne Moser: research on coping capacity and adaptation to sea-level rise and coastal erosion in California (project partially funded by CalEPA and California Energy Commission); and research on climate change communication and social change (project funded by the MacArthur Foundation).

### TEACHING EXPERIENCE

University of Colorado at Boulder

**Fall 2006 – Fall 2007 Teaching Assistant to Professor Patti Adler in “Deviance in U.S. Society”**

Description:

Collaborated on curriculum and exam development, met with students upon request, and graded all written work.

**RELATED EXPERIENCE**

Scientific Computing Division at the National Center for Atmospheric Research  
**2002 – 2005**                      **Student Assistant**

Description:                      Provide support for the planning, engineering, installation, operation, and maintenance of state-of-the-art networking and data communications facilities at the National Center for Atmospheric Research. Also provide administrative, web/html, and other forms of support for the Network Engineering and Telecommunications Section within the Scientific Computing Division.

**AREAS OF SPECIALIZATION**

Environmental Sociology	Population Studies
Climate Change	Quantitative Methods

**BOOK CHAPTERS**

Tribbia, J. (2007). Stuck in the slow lane of behavior change? A not-so-superhuman perspective on getting out of our cars. In: Susanne C. Moser and Lisa Dilling (eds.). *Creating a Climate for Change: Communicating Climate Change and Facilitating Social Change*, Cambridge University Press: pp. 237-250.

**REFEREED PUBLICATIONS**

Moser, S.C. and Tribbia, J. (2006/2007). Vulnerability to inundation and climate change impacts in California: Coastal managers' attitudes and perceptions. *Marine Technology Society Journal*, 40(4): 35-44.

Tribbia, J. and Moser, S.C. (2008). More than information: What coastal managers need to prepare for climate change. *Journal of Environmental Science and Policy*, 11(4): 315-328.

Romero Lankao, P., Nychka, D., and Tribbia, J.L. (forthcoming). Development and greenhouse gas emissions: Diverging from “modernization” and “convergence”? *Climatic Change*.

**PAPERS/REPORTS**

Moser, S.C. and Tribbia, J. (2007). *More than information: What California's coastal managers need to plan for climate change*. Report prepared for the California Energy Commission, Public Interest Energy Research Program and the California Environmental Protection Agency, Sacramento, CA.

Moser, S.C. and Tribbia, J. (2007). *Vulnerability to coastal impacts of climate change: Coastal managers' attitudes, knowledge, perceptions, and actions*. Report prepared for the California Energy Commission, Public Interest Energy Research Program and the California Environmental Protection Agency, Sacramento, CA.

Moser, S.C. and J. Tribbia (under review). *Regional similarities and differences in California coastal managers' preparedness for climate change*. Report prepared for the California Energy Commission, Public Interest Energy Research Program and the California Environmental Protection Agency, Sacramento, CA.

**BOOK REVIEWS**

Tribbia, J. (2006). Cellphone: The Story of the World's Most Mobile Medium and How It Has Transformed Everything (review). *Technology and Culture*, 47(3): 687-688.

**IN PREPARATION**

Romero Lankao, P., Tribbia, J.L., and Nychka, D. (forthcoming). Testing theories to explore the drivers of cities' atmospheric emissions. Submitted to *Ambio*.

**WORKSHOPS****May 2008**

NSF Workshop: Sociological Perspectives on Climate Change; Sponsored by the National Science Foundation (NSF)

**January 2008**

Resilient and Sustainable Relationships among Carbon, Climate and Cities (RESUCCITIES); Sponsored by the Institute for the Study of Society and the Environment at the National Center for Atmospheric Research

**July 2006**

Weather and Society\*Integrated Studies (WAS\*IS) Summer Workshop; Sponsored by the Societal Impacts Program at the National Center for Atmospheric Research
